kobon ministry

We thank the Lord for giving us the privilege of being members of the huge team that He has involved in praying, encouraging and giving to help bring His Living and Life-Giving Word to the Kobon, Haruai and Minimib people, thereby ensuring that they will continue to have the means for Him to speak to them through His Word in the language they understand best – their mother tongue.

This week please pray for the many Papua New Guineans who are members of this team, serving as teachers, coordinators, and members of the school boards at the villages where the Living Word Bible Schools are located.

confirmation celebration

Confirmation Sunday is May 5!

We look forward to celebrating our 7 confirmands of 2024 as they declare "Jesus is Lord" of their life!

Chloe McCluskey
Eleanor Dawkins
Rihanna Detken
Trinity Jones
Justin Fairchild
Adam Schoonbeck
Cooper Lucier

This is an important faith milestone in their life and we are excited for each of them to stand firm in their faith. As Confirmation Sunday approaches we hope you plan to join us for worship and will be praying for each confirmand as they prepare for this special day.

New discoveries from Astrophysics show that our Galaxy and Solar System are both in very unusual perhaps even unique locations in the Universe. This runs against the Materialism claim that there is nothing special about our place in the Universe.
