

**Dear Christ Lutheran Church and School families,**

Over the last twelve years, God has blessed Christ Lutheran with an incredible orchestra. Through the dedicated service of our music and tech ministries, Christ Lutheran has enjoyed incredible worship year after year.

Each year, we hire 25 professional, additional musicians (trumpets, timpani and strings) for three major events - Reformation Sunday, Christmas and Easter. The cost to hire these additional musicians is about \$30k/year.

Normally, 100% of the orchestra cost comes from our general budget, but this year we need your help. As a church, we can cover the cost of one event (\$10k), but we're asking our church family to help us cover the other two events (\$20k).

By God's grace, we already have our first donor, an anonymous source has donated \$5500 as a matching grant. Would you prayerfully consider donating towards the orchestra fund?

You can give [at this link](#), text to give, write a check or drop off your donation by the church office. Please be sure to write "Orchestra" on the memo.

This is a tax-deductible donation above and beyond our regular giving. Thank you for your generosity.

Sincerely,

**Pastor Drew, Lead Pastor**  
**Pastor Strubbe, Choir Director**  
**David Trigueros, Worship Director**
