kobon ministry

We thank the Lord for a safe journey to Madang by bus for Haruai Bible School coordinator Lukson Yese, Haruai teachers Jekson Bilsap and Nemi Kori, Lukson’s assistant Noki Toni, and Kobon-Kaironk Bible School coordinators Matthew and Timothy. They all arrived safely in Madang yesterday.

Please pray for safety for them all while in Madang; for success in opening new two Living Word bank accounts, one for the Kobon-Kaironk district and one for the Haruai district; for success for Lukson in buying medications he needs, especially for his chronic dry eye problem; and for a safe journey back home, preferably direct into Dusin and Singapi by air, and definitely not by dinghy and walking, because last time they did that they all got very ill with malaria.

Sunday Morning Bible Study
Sundays | 10:45 am “A Study on Luke”
Led by Pastor Jack Brouwer

Wednesday Morning Bible Study
Wednesdays | 10:00 am Led by Albert Rasch

Join our weekly Bible Study at Christ HB!
We are studying Isaiah. He was noted as the first and greatest of the four major prophets. The writings in this book had and continue to have, a major impact on Jewish and Christian theology. Many hymns you may know were written from the words of this book. The main point of this book was to call the nation of Judah back to God and teach of the salvation of the people through the coming of a Messiah.

It is a very interesting study and will provide a good foundation for the New Testament.

MAY 17 & 18

Join us for a powerful weekend of serving both our local community and the world!

Saturday, May 17 – We're joining **Love Costa Mesa Day**, a city-wide movement uniting churches, businesses, and neighbors to serve our community together. **Act Locally** by choosing from a variety of projects that make a tangible difference right here in our city, including a Christ Lutheran lead project at Wilson Elementary. Registration will be available in early April. If you are interested in leading a project please contact Zane Miller at zane.miller@christcm.org

Sunday, May 18 – We'll turn our hands to **Impact Globally** by partnering with **Kids Around the World** to pack 40,000 meals for children in need. This is a family-friendly event where every meal packed shares Christ's love in action! This service opportunity is great for kids and adults of all ages. It involves scooping rice, lentils, and vitamins in a bag that is sealed tight, labeled and stored in a box that will be shipped to a community in Panama...all in 60 minutes for each shift! Shift times are 8:30am-9:30am or 11:30am-12:30pm. **REGISTER HERE:** church.christcm.org/katw

Class Preview for today, March 23:

Genesis 1:6's discussion of the events described for Day 2 of Creation has been one of the most difficult passages in the Bible to reconcile with science. Well once again science has caught up with the Bible. "Astronomy" magazine headline the month proclaimed, "The First Stars May Have Flooded the Universe With Water". New research conducted at several British and American Universities have resulted

in this amazing and totally unexpected discovery. Please join us as we discuss this and much more!
