We thank the Lord that Mathew Morris who has been very ill with malaria for the past ten days is somewhat better. Please pray that Mathew will soon regain the strength and some of the weight that he has lost before returning home with Timothy, who is looking after him in Madang. kuwaa mission

The treasurer for the Kuwaa Mission notified me that our Christ Lutheran supporters, during 2024, supported our work in Liberia with over \$2000. Thank you. Funds donated supply the medical clinic with meds, help repair bridges, repair wells, supply Korpu with girls hygiene supplies, pay tuition for evangelists training, etc. Pray that funds continue so the work can continue. Our current project is for Korpu to sew & assemble girl hygiene kits during this rain time & to promote literacy both in Kuwaa & English. www.kuwaamission.org

mites for missions

At the June convention in Nebraska, the Lutheran Women’s Missionary League, (aka Women In Mission), will vote on new mission grants. Pray for safe travel for women who were elected to attend & vote. Mite Box change is the only source of support for the projects they select. A new list of projects will be available this summer. Take a MITE BOX in the narthex. Help us meet the goals of these projects both here and abroad.

Sunday Morning Bible Study Sundays | 10:45 am “A Study on Luke” Led by Pastor Jack Brouwer

Wednesday Morning Bible Study Wednesdays | 10:00 am Led by Albert Rasch

Join our weekly Bible Study at Christ HB! We are studying Isaiah. He was noted as the first and greatest of the four major prophets. The writings in this book had and continue to have, a major impact on Jewish and Christian theology. Many hymns you may know were written from the words of this book. The mains point of this book was to call the nation of Judah back to God and teach of the salvation of the people through the coming of a Messiah.

It is a very interesting study and will provide a good foundation for the New Testament.
